DESIGN

## Design & Decorating Services

Are you in the planning stages of building a new home, renovating an existing one, re-decorating an existing room? Then we can help.

---

By working with one of our professionally trained designers you benefit from a wealth of hands-on experience coupled with access to an extensive product portfolio from some of the world's finest home furnishing, lighting, rug and accent manufacturers.

---

Together we can create a beautiful, timeless space that will best reflect your tastes, and style.
